

FEATURES

- Long, wide planks and “click” tongue-and-groove allow for flawless installation
- High-tech commercial-grade finish system
- Thick, resandable hardwood wear layers offer a lifetime of use
- Square edges—no grooves on surface of floor
- Precision milling and cross-ply construction prevent warping
- Residential Warranties: Lifetime structural, 27-year finish
- Commercial Warranties: 25-year structural, 3-year finish

ENVIRONMENTAL BENEFITS

- 100% of the wood in these floors comes from forests certified well-managed by the Forest Stewardship Council (FSC), adhering to strict environmental and social standards
- Using FSC-certified wood promotes sustainable forestry and helps prevent the destruction of forest ecosystems. The FSC is supported by World Wildlife Fund, Sierra Club, Natural Resources Defense Council and other leading environmental organizations
- Healthy for the air in your home, these floors are made with a low-VOC adhesive which easily meets the E1 standard for indoor air quality
- Qualifies for LEED Credit: MR 7 | Certified Wood

SPECIFICATIONS

- Dimensions: 9/16” thick x 8-1/8” wide x 86-5/8” long – each plank composed of three 2-11/16” wide strips
- Construction: Engineered 3-ply with 1/8”+ wear layer, kiln-dried, tongue & groove all four sides, precision-cut square edges
- Finish: Satin sheen UV-cured acrylated urethane finish with scratch-resistant hardened acrylic top-coat
- Installation: Glue-down or float. Warranted over radiant heat – please read installation instructions thoroughly before making a product selection

ECOTIMBER MONEY-BACK ENVIRONMENTAL GUARANTEE

EcoTimber backs this product with a 100% money-back guarantee that 100% of the wood in this floor was responsibly harvested from FSC-certified forests
