

Pizza Stone

Diameter: 11.5 Inches

PREPARE STONE OVEN PIZZAS IN YOUR OWN OVEN

This soapstone pizza stone will turn your kitchen into a traditional stone oven pizzeria. Bake the perfect pizza in the comfort of your own home and surprise your friends with the delicious taste and crunchy crust of the real thing!

The easiest way of preparing a tasty pizza is to simply place a frozen pizza on the stone plate and bake it up in your oven. The bottom will become perfectly crisp and your pizza will have the inimitable stone oven flavor. For the best results, prepare your own pizza from scratch, following the instructions included in this package, and try your own recipes. Pizza has never tasted better than this!

You can also use it for pastries and other pre-baked products. The desired crispness is attained through the stone's high surface temperature.

Grill Stone
